

5. 4. Special New Innovative Initiatives or Ideas Adopted in the College

5.4.1. Career Counseling and guidance

Govt. College Shri Naina Devi Ji frequently conducts career awareness programs throughout the year to help students explore various career paths, develop skills, and make informed decisions about their futures. On 30/04/2025, the college conducted a one-day session on career counselling. The program aims to bridge the gap between education and employment by introducing students to the demands and opportunities in different industries. By implementing a Career Counselling Program, colleges can play a crucial role in helping students transition from academia to the professional world, ultimately contributing to their long-term success and satisfaction.

One-Day Session on Career Counselling and Guidance

Prof. Subash Sharma

5.4.2. Daily GK group for students

The group was created on 27/10/2023. The group was also active in 2024-25 session.

- **Purpose:** Promote general knowledge, current affairs awareness, and intellectual development among students.
- **Goals:** Improve students' knowledge base, prepare them for competitive exams, and foster a culture of learning.
- **Daily Content**
 - **Format:** Decide on the format (e.g., daily quizzes, news summaries, and interesting facts).
 - **Sources:** Use reliable sources such as newspapers, academic journals, and reputable websites.
 - **Tools and Resources**
 - **Content Sources:** BBC, The Hindu, academic journals, magazines etc.
 - **Communication Tools:** WhatsApp

- Content **Sources:** BBC, The Hindu, academic journals, magazines etc.
- Communication Tools: WhatsApp.

By leveraging these aspects, a Daily GK Group significantly enrich the educational experience at the college, building a culture of continuous learning and intellectual curiosity among students.

5.4.3. Library Cataloguing Initiative:

- **Objective:** To improve the accessibility and management of library resources and enhance students' research capabilities.
- **Process:** The College implemented a new cataloguing system with regular updates.
- **Outcome:** Students reported a significant increase in the ease of finding and accessing materials. The initiative also contributed to better performance in academic competitions. By implementing and refining a library cataloguing system, the college not only enhances its educational resources but also actively supports students in developing a competitive edge through better access to information and improved educational capabilities.

The Library catalogue can be accessed online by the students for their easy access. The library is being digitized and more resources will be made available to the students via this website. To search a book or an author Press Ctrl + F and type the name. You can locate the book in the library using the accession number. Please contact the Library Incharge if you need assistance.
