

Sr. No. 2.3: Sports and cultural activities

The college conducted various sports and cultural activities to enrich the student experience and promote physical, mental, and social development. Through such activities, the college engages students and nurtures their talents. These activities encourage students' personal growth and help create a vibrant campus culture that celebrates diversity.

I. % of students participating in sports activities

Approximately eight percent of students actively participated in the sports activities. Given our limited strength, we ensure the participation of all students.
